I order a license key for the PStill program (the software) for _____
(enter your Operating System here). Such a key will allow me to run a single
(or multiple if more than one key ordered) instance of PStill up to release
version 1.99 in my local network on a single machine in a commercial
environment (where PStill is used either by a company, a government agency
or by an individual for commercial purposes). I do not gain ownership of the
software, all rights remain with the author of the software, Dipl.-Ing. Frank
Siegert. The key is a secret between me and him and I will not make it public
available in any way and protect it like I would my own valuable data. I will get
program updates from the PStill web site (www.pstill.com) myself.
